

## WELCOMING AND BELONGING

Setting our Agenda: February, 2022 onwards

*Following our consultation, using the 'leaves on the tree', pre-pandemic, a number of items for our agenda, as a Congregation, were suggested. The Vestry has attempted to prioritise these, in order of importance/popularity, and they are listed below.*

*What do you think? Is this order of priorities right? Would you promote/demote particular items? Add others? Please consider, and then come to the meeting after the 11.00 Eucharist on Sunday, 06/02/2022 and join the discussion.*

### PRIORITIES FOR DISCUSSION
