Post Covid Arrangements

The common cup was re-introduced a few weeks ago. A few points to make in connection with that.

- Receiving communion at the High Altar involves closer contact with others than we have become accustomed to in church. If you feel that, when moving between your pew and the High Altar, you wish to wear a mask, feel free to do so.
- In any event the Vestry asks that we continue the practice of moving down the centre aisle and back up the appropriate side aisle.
- You are reminded that receiving in one kind, i.e., only the bread, is a valid way of taking communion.
- Dipping your wafer in the wine - known as Intinction - is now once again permitted, for those who wish it. Please be very sure, in that instance, to sanitise your hands thoroughly beforehand.

Finally, the church is now open once again throughout the day (approx. 10.30-16.30) to visitors, and for private prayer and reflection.

New Member of Clergy Team: I am delighted to advise you that the Reverend John McHale, who led our Good Friday talks this year, will be joining us on our clergy team, beginning in June. John has been worshipping with us for about sixteen months on and off, dependent on whether he is needed by the bishop, to cover vacant charges. John's present work commitments restrict his involvement with us in the months of July and August, but thereafter he will be freer to conduct services on Sundays and midweek. John was a Roman Catholic monk for a number of years before teaching music in a Church of

England School. His vocation to priesthood was recognised whilst teaching and he went on to Ordination in the Church of England and served for many years as a School Chaplain. We warmly welcome John onto our clergy team, and look forward to serving with him, and wish him every blessing in our midst.

Ascension Day is the 26th May and the **Regional Ascension Day service will be held this year at St Margaret's, New Galloway**. The service will be at 6pm. Canon Barry Gilbert will preside and the Rev John McHale (see above) will preach. We are invited to take a picnic from 5pm onwards--not bring and share. St Margaret's will provide tea, coffee, biscuits and traybakes and hope that the weather will be good enough for us to picnic outside.

- St Margaret's website has good instructions giving directions to the church. www.stmargaretsnewgalloway.org
- If you would like a lift to the service, please ask--but you may have to wait for the Regional Council meeting after the service to finish before travelling back. We are planning a short agenda and visitors are welcome at the meetings.
- If you are planning to go it would be helpful (but not essential) if you could let me know. St Margaret's would appreciate an idea of numbers for catering.

There is **no MU Eucharist on 2nd June**. However, the **MU Summer Outing** will take place on Thursday 9th June. At 1.30 pm, we will be visiting Ellisland, Robert Burns' farm just outside Dumfries. We will be given a tour of the farm, which will last 1 – 1 ½ hours. We can try to soak up the many poems and songs he wrote there, and admire Jean Armour's garden. Afterwards, we will have afternoon tea at nearby Friars' Carse, a beautiful country house hotel on the banks on the Nith, where we will all behave ourselves and not get into an inebriated state, as Rabbie so famously did. The cost for Ellisland and afternoon tea will be £17. Anyone who would like to join us on this outing, should contact Carolynne Sorrell, Kim Tofield or Mary Solley. Lifts can be arranged, leaving St John's at 1pm. All welcome

Christian Aid Week 15-21 May: thank you to those who have already returned the Christian Aid Week envelope. If you would like to give but do not have an envelope they are available at the back of church as is information about the focus for this year--Zimbabwe and the impact climate change is having on small scale farmers. Please place envelopes in the offertory or give them to Christopher Pierson-Harvey or myself.

- If you prefer to give on line there is a local Just Giving page at <https://giving.give-star.com/online/christian-aid/dumfries-christian-aid-group-caw2022>
- Many thanks as well for the generous £49.65 donated for cakes and biscuits last Sunday.
- Any questions, please ask

There will be an **Open Garden Evening**, with the lighting of a traditional **Jubilee Beacon**, one of a series across the whole country, at **Elshields** from 8pm on **Thursday, 02/06/2022**. Entry is free, but donations towards relief efforts in Ukraine will be gratefully accepted.

- Gardens open from 8 pm
- Beacon lighting at 9.45pm to coincide with national event
- Live music, refreshments
- In aid of Ukrainian charities
- RSVP if possible: please text 07884 256913 or email ann.shukman@icloud.com
- Please bring picnic seating if appropriate

Lifts should be able to be arranged. Ask the Church Office.

Just a reminder (to myself, as much as anyone else) please to ensure that the outer (car park) **door to the Hall** should be kept closed and, if you're the last person to leave, it should, please, be locked, both with the Yale and the mortice locks. Also, please be sure to check that the left- hand door (looking from the outside) is properly secured: both top and bottom bolts need to be in the holes and they usually need to be helped to do this. If those bolts aren't engaged, the doors can still be opened from the outside, even if locked.

People have been asking about resuming our **programme of outings**. We need a **minimum of 10 people** (max 15) to make booking the minibus viable and, if you haven't been before, the bus is fully accessible (ie has a lift) and you'd be very welcome to come along. There have been suggestions of going to see the Viking Hoard in Kirkcudbright and there are plenty of other destinations, near (Threave) and far (Alnwick Castle, Dundee V&A...) we could do as well. At the time of writing, few people have signed up, so the trip that might have run yesterday, 21 May, did not run, and it looks unlikely the 28

May will, either. I do know, however, that several people who are trip aficionados were unavailable on those dates. I'm not able to offer any during June (except Spring Fling, see below), but should be able to offer some July and/or August dates shortly. In the meantime, suggestions of destinations welcome.

- Thornhill Community Transport and Cairn Valley Community Transport are both participating in **Spring Fling** this year, over the Jubilee weekend, and covering all the studio tours throughout the whole of D&G. See <https://www.spring-fling.co.uk/whats-on/bus-tours/> for more info and to book.

Use of High and Nave Altars: the Vestry has taken account of the views expressed at the recent Special General Meeting. It was unanimously concluded that to make the receiving of communion accessible to as many people as possible and to respect the sincerely held views of members of the congregation **both** altars would be used regularly; that the High Altar would be used at Christmas and Easter and that the Rector would have discretion, on rare and special occasions, to amend which altar was to be used.

- In summary:
 - the Nave Altar will be used on the 1st and 3rd Sundays
 - the High Altar will be used on the 2nd, 4th and 5th Sundays
 - the High Altar will be used at Christmas and Easter and
 - the Rector has discretion, on rare and special occasions, to amend that pattern.

The Vestry also took account of comments made about the administration of communion in both kinds at the Nave Altar and the need for a **slower pace**. This will be discussed with the Stewards, who will help to facilitate it.

Protection of Vulnerable Groups: the Diocese has approved the appointment of Billy Dewar-Riddick as the Co-ordinator of our arrangements for the Protection of Vulnerable Groups. We are grateful to him for undertaking this work on our behalf. If you have any matters of concern please approach him personally or by e mail, using protection@stjohnsdumfries.org.

Platinum Jubilee: We are planning to mark the Jubilee with a **bring and share lunch** on Sunday the 5th June together with an exhibition of any memorabilia people may have from the 70 years of the Queen's reign-- coronation mug, card to mark a wedding anniversary or 100th birthday etc. They will be on display in the locked showcases in the War Memorial Chapel.

If you have any such items you'd be willing to lend for the display, please speak to Ashley Cross or Margaret Morton.

Bear Fest 7-9 July: we will need stewards in both the church and the hall to welcome people coming to the Bear Fest. If you can help with this, please will you sign up on the sheet at the back, near the door to the Hall.

The funeral service for **Olive Burbridge** will be at the Crichton Church at 3pm tomorrow, Monday, 23/05/2022. All are welcome to attend, and, if you're intending to go, please would you add your name to the sign-up sheet at the back of the church, near the door to the Hall, so the family can assess how many orders of service to print.

The Congregation will be sorry to hear of the death of Bishop Ted Luscombe, long a friend of St J's, on Wednesday, 04/05/2022, at the age of 97. There was a private funeral in Friockheim, but there will be a Memorial Service on **Tuesday, 07/06/2022** at St Paul's Cathedral, Dundee at 11.30am. I don't imagine there will be enough people for the minibus, but, if you're interested in going, please talk to me. We could, at least, hope for better travelling weather than was the case for Bishop John Taylor!

Simon Lidwell says... Do you remember the trees that were used by All Age a (considerable) while ago when it still met in the hall? Anyway, they are going to be re-used in the 'Bearfest' and I'm arranging refurbishing them.

I'd like to invite the Congregation as a whole to participate in this; the date set is **Sunday, 22/05/2022 at 4pm**. Materials and instructions will be provided. We will be adding thoughts and quotes to the leaves as well, so that people can see 'spiritual fruits' when they look up.

MOOL (Massive Outpouring of Love) tell us...

International Street Food Festival

Thanks to a grant from the New Scots Refugee Integration Delivery Project, we will be running an International Street Food Festival in Dumfries Dock Park on 5th June 2022. We're really excited about the prospect which we hope will showcase all the benefits which our society and area receive from the arrival of people with other cultures, skills and outlooks.

In addition to sharing different kinds of food we also want this to be a chance to share other aspects of our cultures. Whether it's music, dance, storytelling or any other part of life, we want to share and celebrate our diversity. If you've got any suggestions skill sharing, please get in touch. If you know anyone who might be able or willing to contribute by sharing a skill from another culture please ask them to get in touch too. <https://www.mool.scot/>

Some of you may be aware that a small Women's Group (the group, not the members!) have been meeting in the Hall on Monday mornings, since the beginning of April. People may have heard of 'Men's Shed', a similar type of men's group, which meets in various small halls and the like, to share and offer skills, support, friendship and the like. The group that meets at St J's is called the Hens' Den and St J's is glad to be able to provide a space for them to meet.

Following a successful funding application, there will now be **three** groups (a men's group and an art therapy group, as well as the existing women's group...snappy names, I'm assured, to follow) meeting, all on a Monday, for 2 hours each, from 10.30am until about 17.30, from 30/06/2022 onwards. This is a 'double win', as we are able to welcome new people into our premises...and the groups will also be making a contribution, in consideration of the use of the hall. Please bear in mind, though, that it puts the main Hall out of action on Mondays during the day, though there would be no objection to using the toilets, kitchen, flower cupboard and Choir Vestry. The groups may very occasionally be using the kitchen for more than just teas & coffees, but we'll try

to provide advance warning of that. If you expect this to cause you, or your group, a difficulty, please talk to me, and we'll try to find a way round it.

What this points up, however, is that we need to create some space in the hall basement, for them to store equipment, materials etc. There is an enormous amount of material down there; some of it probably no longer needed, but, if you, or any group you're associated with, have 'stuff' down there, please would you start thinking about what we need to keep, and what can be disposed of. It doesn't mean that 'everything must go'; I'll approach all the people I can think of before disposing of anything and you can, of course, arrange to come and look before deciding, but we do need to make a start on this quite soon.

David
